Come out drinking tonight  
I think you need some under your belt  
And i've been thinking (i've been thinking)  
That's right  
That we should just start drinking beers  
Stop feeling sorry for yourself  
Its your birthday  
And i'm thinking about  
Kickin up our heels we need to celebrate it  
Because it's not another night  
Its not just another night  
Shake it, shake it  
Like it's your birthday  
Shake it, shake it  
Yeah it's your birthday  
Break!  
Its your birthday tonight  
I'm gonna take you drinking  
And i'm thinking  
Everything should be alright  
Its your birthday tonight  
(tonight tonight tonight tonight)  
I'm thinking we should shake it  
Kicking up our heels  
Fuck it it'll be alright  
Its your birthday tonight  
Get dressed and make it snappy  
Come on it should be so happy  
That's right  
Its your birthday tonight  
The drinks are on your friends  
We'll tell you everything you need  
To make you feel alright  
Shake it, shake it  
Like it's your birthday  
Shake it, shake it  
Like it's your birthday  
Shake it, shake it  
Like it's your birthday  
Shake it, shake it  
Like it's your birthday  
Shake it, shake it  
Like it's your birthday  
Come on now everyone is waiting

Take this and  
Chase it down with a beer  
Put down that seventh cone  
Don't spend your birthday all alone  
Ill never let you do anything but  
Shake it, shake it  
Like it's your birthday  
Shake it, shake it  
Like it's your birthday  
Shake it, shake it  
Like it's your birthday  
Shake it, shake it
