### "Plastic Fucks"

my skin it crawls with all the lies you spat at me  
i'm not the only one who wants to take control of my  
own destiny  
i will not lay down and let your fuckin fear watch over  
me

you plastic fucks i hate you  
playing,teaching,calling,smiling,but tonite the class is  
flowing at you  
selling out yeah way to strike  
way to strikeout, way to strikeout, yeah

you blame yourself and need the sword of Demiclees  
the flame is close but you don't know,  
your eyes are closed no wonder you cant see

take your fucking purgatory down with my insanity

you plastic fucks i hate you  
playing,teaching,calling,smiling,but tonight the class is  
flowing at you Selling Out Yeah Way To Strike  
way to strikeout, way to strikeout

and i don't even hear a fuckin word you say  
yeah i hate the games you play  
yeah i fuckin hate you

steer clear of the dragons flame  
so just don't feed this fuckin flame  
before it burns us both up  
before we both burn up  
stay away-dragons flame  
don't fuckin feed us  
so turn the clock back  
because you're burning out

you plastic fucks i hate you  
playing,teaching,calling,smiling,but tonight the class is  
flowing at you Selling out yeah way to strike  
way to strikeout, way to strikeout

and i don't even hear a fuckin word you say  
yeah i hate the games you play  
yeah i fuckin hate you

so stay away from The Dragons Flame  
before It both burns us up  
so stay away

i fuckin hate you
