### "Runaways"

Remember what you've got  
Don't try to runaway  
Although it never stops  
It will trust me some day  
And you'll find  
That something's bright  
At the end of the tunnel.  
I know,  
Your life without fun will be rectified  
So don't you hide away today.

Say what do you say  
Well its time for you to runaway  
Say what do you say  
An its time for you to, time for you too  
Say what you say  
Runaway

Remember what you've got  
Don't try to runaway  
Although it never stops  
It will trust me some day  
You'll findâ€¦

Say what do you say  
Well its time for you to runaway  
Say what do you say  
An its time for you to, time for you too  
Say what you say  
Runaway  
Well its time for you to runaway  
Say what do you say, runaway

Fucken waited far too long  
This is why I sing this song  
Fucken waited far too long  
This is why I sing this

Say what do you say  
An its time for you to runaway

Say what do you say  
An its time for you to, time for you too  
Say what you say  
Runaway  
An its time for you to runaway  
Say what do you say  
An its time for you to runaway  
Say what do you say  
An its time for you to, time for you too  
Say what you say runaway
