Take me back to yesterday
'Cause I'm not alright and it's not okay, no
I know but I won't admit it
Someone take me away

I'm not okay, so take me away
See I just can't, can't ever endeavor
Keep fighting the battle of whatever

So take me away
You won't take me away
You won't take me away
No, no, it won't be okay
No, not for me anyway

You won't take me away
You won't take me away
Take me back to yesterday
'Cause I'm not alright, it's not okay

I don't wanna talk about it
So shut up, I can do without it

Save me today
You won't save me today
You won't take me away
No, no, it won't be okay

No, not for me anyway
You won't take me away
You won't take me away
Take me away

Take me back to yesterday
(Take me back to yesterday)
Take me back to yesterday
(Take me back to yesterday)

'Cause I'm not alright
I'm not okay, I'm not alright
I'm not okay, I'm not okay
I'm not alright, I'm not okay

I'm not alright and I'm not okay today

You won't take me
Take me, take me away, away
You won't save me
Save me, save me today

'Cause I'm not alright
And I'm not okay
And it's not alright
I'm not alright
So take me away
