All the time, yes darling, all the time  
Tenderly, constantly, I'll love you  
I'll love you, love you everyday

I'll prove it everyday  
In happiness or loneliness I'll love you  
I'll love you, love you

Other arms may tempt me  
Don't let it worry you  
'Cause even if they tempt me  
I'll never be untrue

All the time, yes darling, all the time

Through the years smiles and tears, I'll love you  
I'll love you, love you

Other arms may tempt me  
Don't let it worry you  
'Cause even though they tempt me  
I'll never be untrue

All the time, yes darling, all the time  
Through the years smiles and tears  
I'll love you, I'll love you
