"April's Fool"

April doesn't shower her sweet love on me
What someone gets in one day may take me two or
three
Yes it's true she leads me like a puppet on a string
But my life without April is like next year without spring

People say that April treats me cruel
But I just smile when they say
There goes April's fool

The first time I met April was in the middle of
December

And she's taught me so many things I'd rather not
remember
In wintertime she has me wearing summer clothes
In summer she has jack frost nipping up my nose

People say that April treats me cruel
But I just smile when they say
There goes April's fool
