(Cincinnati Ohio Cincinnati Ohio)

One more hour and I'll be home I close my eyes and
rest my bones

Can't be more than a mile or so from Cincinnati Ohio
Cincinnati Ohio

Cincinnati where the river winds cross the Mason and
the Dixie Line

Heaven waits for me I know in Cincinnati Ohio

Cincinnati Ohio

[guitar]

I guess perhaps the memories got too strong

Grabbed me by my heart strings and pulled me home

I got to thinkin' bout some friends I know in Cincinnati

Ohio Cincinnati Ohio

Cincinnati where the river winds...

[guitar]

I walked half way from Lewieville there she lies at the
foot of the hill

Shining like a jewel in the valley below Cincinnati Ohio

Cincinnati Ohio

Cincinnati where the river winds...

Cincinnati Ohio Cincinnati Ohio Cincinnati Ohio
