See the tree, how big it's grown  
But, friend it hasn't been too long, it wasn't big  
I laughed at her and she got mad  
The first day that she planted, it was just a twig

Then the first snow came and she ran out  
To brush the snow away so it wouldn't die  
Came runnin' in all excited, slipped  
And almost hurt herself and I laughed till I cried

She was always young at heart  
Kinda dumb and kinda smart and I loved her so  
I surprised her with a puppy  
Kept me up all Christmas Eve, two years ago

And it would sure embarrass her  
When I came home from working late 'cause I would  
know  
That she'd been sittin' there and cryin'  
Over some sad and silly late, late show

And honey I miss you and I'm being good  
And I'd love to be with you if only I could

She wrecked the car and she was sad  
And so afraid that I'd be mad, but what the heck

Though I pretended hard to be  
Guess you could say, she saw through me and hugged  
my neck

I came home unexpectedly and found her crying  
Needlessly in the middle of the day  
And it was in the early spring when flowers bloom  
And robins sing, she went away

And honey I miss you and I'm being good  
And I'd love to be with you if only I could

Yes, one day while I wasn't home  
While she was there and all alone, the angels came  
Now, all I have are memories of honey

And I wake up nights and I call her name

And now my life's an empty stage  
Where honey lived and honey played and love grew up  
And a small cloud passes overhead  
And cries down in the flower bed that honey loved

And honey I miss you and I'm being good  
And I'd love to be with you if only I could
