Well, I look out the window and what do I see
The breeze is a blowin' the leaves from the trees
Everything is free, everything but me

I'm gonna take this chain from around my finger
And throw it just as far as I can slinger
'Cause I wanna be free

When my baby left me, everything died
But a little bluebird was singin' just outside
Singin', twidle de dee, fly away with me

Well, you know I think I'm a gonna live
Gotta lotta love left in me to give
So, I wanna be free

I released my heart my soul and my mind
And I'm a feelin' fine
I broke the chain the ring of gold
Before it broke my mind

Well, look who's a cryin' and it sure ain't me
But I can't hardly hear and I can't have see
Oh, I wanna be free, release my heart
