"If My Heart Had Windows"

If my heart had windows you'd see a heart full of love
just for you
A tear may appear when I'll hold you near but that's for
the sweet things you do
If my heart had windows you'd see a heart full of love
just for you
By your side I will stay till we're old and gray
reminiscing young moments we knew
If my heart had windows you'd see a heart full of love
just for you
[guitar]
A thief couldn't steal the love that I feel heaven for me
has come true
If my heart had windows you'd see a heart full of love
just for you

If my heart had windows you'd see a heart full of love
just for you
