Down at the railroad station
There's people gettin' on
Some are a goin' north
Some are a goin' south
I'm just goin' to be gone

Some people are born to be takers
Others just want to give
Some people live just to love
But I just love to live

For I was just born to be exactly what you see
Nothing more or less I'm not the worst or the best
I just try to be exactly what you see
Today and every day I'm just me

When people say their life is rough

I wonder compared to what
Some are wantin' more and more's a gettin' less
I just want what I've got

Some wanna live upon a hill
Others down by the sea
Some wanna live inside high walls
I just wanna live free

For I was just born to be exactly what you see
Nothing more or less I'm not the worst or the best
I just try to be exactly what you see
Today and every day I'm just me
Today and every day I'm just me
