Yes I know she's the life of the party and without her  
things here would die  
Oh but don't be fooled by her laughter she has her sad  
times she knows how to cry  
She drinks and she talks just a little too loud  
And with her pride gone she tags along with any old  
crowd  
Yes I know I'm to blame and I feel so ashamed that I  
made her the image of me  
[ piano - steel ]  
I met her in a little country town she was simple and all  
fashioned in some way  
But she loved me till I dragged her down then she just  
gave up and drifted away  
She drinks and she talks...

That I made her the image of me
