There's a picture that I carry one  
We made some time ago  
When they ask who's in the picture with me  
I say, just someone I used to know

Just someone I used to spend some time with  
Just a flame that's lost its glow  
But I don't tell them of the nights I cried without you

I say just someone I used to know

Just someone I used to run around with  
Just a friend from long ago  
I don't tell them how lost I am without you  
I say just someone I used to know  
I say just someone I used to know
