You are my special angel sent from up above
The Lord smiled down on me and sent an angel to love
You are my special angel right from paradise
I know that you're an angel heaven is in your eyes
The smile from your lips brings the summer sunshine
The tears from your eyes bring the rain
I feel your touch your warm embrace and I'm in heaven
again
You are my special angel through eternity
I'll have my special angel here to watch over me

The smile from your lips...
Here to watch over me
