There goes my only possession, there goes my
everything
I hear footsteps slowly walking as they gently walk
across a lonely floor
And a voice is softly saying, "Darling, this will be
goodbye forever more"
There goes my reason for living, there goes the one of
my dreams
There goes my only possession, there goes my
everything
As my memory turns back the pages, I can see the
happy years
We had before, now the love that kept this old heart
beating
Has been shattered by the closing of a door
There goes my reason for living
