See her there see her crying she thinks she loves him
so
She don't know how much it hurts me to see her beg
him not to go
If she were mine again I'd never let the tears fill her
eyes
She don't know how much it hurts me to see an angel
cry
Once she built her world around me but like a fool I tore
it down
And she begged me not to leave her just the way she's
doing now
Now she's begging to another with that same hurt in
her eyes
She don't know how much it hurts me to see an angel
cry
I didn't know how much I loved her till she turned and
walked away
I didn't know how much I've hurt her till I saw her here
this way

If she were mine I'd hold her forever and dry the tears
from her eyes
She don't know how much it hurts me to see my angel
cry
She don't know how much it hurts me to see my angel
cry
