Today I started loving you again I'm right back where  
I've really always been  
I got over you just long enough to let my heartache  
mend  
And today I started loving you again

Oh what a fool I was to think I could get by  
With only these few million tears I've cried  
Well I should have known that the worst was yet to  
come  
And that crying time for me had just begun  
Cause today I started loving you again...

I got over you just long enough...  
Yes today I started loving you again
