If you see your brother standin' by the road
With a heavy load from the seeds he sowed
And if you see your sister fallin' by the way
Just stop and say you're goin' the wrong way

You've got to try a little kindness
Yes, show a little kindness
Shine your light for everyone to see
And if you'll try a little kindness then you'll overlook the blindness
Of the narrow minded people on the narrow minded streets

Don't walk around the down
And out lend a helping hand instead of doubt
And the kindness that you show every day

Will help someone along their way

You've got to try a little kindness
Yes, show a little kindness
Shine your light for everyone to see
And if you'll try a little kindness then you'll overlook the blindness
Of the narrow minded people on the narrow minded streets

You've got to try a little kindness
Yes, show a little kindness
Shine your light for everyone to see
And if you'll try a little kindness then you'll overlook the blindness
Of the narrow minded people on the narrow minded streets
