[Jeannie]

Willingly I fell in love with you

[Jack]

Willingly I learned to love you too

[Both]

Though we both knew that it was wrong to someone
else we both belong

We fell in love willingly

[Jeannie]

Willingly I fell although I knew

[Jack]

Sweetheart I knew the same as you

[Both]

So if it's fate for us to wait until our love can be then
we'll wait willingly

I love you I love you too I want you and I want you too

But if it's fate for us to wait until our love can be then
we'll wait willingly

[guitar]

But if it's fate for us to wait until our love can be then
we'll wait willingly

Yes we'll wait willingly
