Have you found since you turned me down
The one that you were searching for?
Are you glad that you made me sad
For you know I vowed to love you ever more?

What did you have in mind when you broke this heart of mine?
Are you laughing in my face?
Darling, what can I do when you say we are through?
You've left a wound time can't erase

Tell me dear are you satisfied to be foot loose and fancy free?
Is it power you want for the things you have done?
Just what you've gained, I guess I'll never see

What did you have in mind when you broke this heart of mine?
Are you laughing in my face?
Darling, what can I do when you say we are through?
You've left a wound time can't erase
