[Jack]

I won't say that I'm the only one who loved you

[Jeannie]

I can't say I make you happy all the time

[Both]

There's someone you can't forget you never will and yet

As far as my heart's concerned you're mine

[Jack]

You never once have told me that you need me

[Jeannie]

And you forget with I'm around you sometimes

[Both]

There are words I try to say when you turn and walk away

But as far as my heart's concerned you're mine

You're mine and yet I know someday I'll lose you

[Jack]

But you can't take this happiness I've found

[Both]

I know it may sound foolish when I tell you that I'm satisfied just having you around

[Jack]

Even when you're in my arms I know you're lonely

[Jeannie]

Wish that I could take that someone all to mine

[Both]

But it seems you can't forget you never will and yet

As far as my heart's concerned you're mine
