Another year in America
They say she's already gone
She left her home for Vegas
And everybody's gone along
Don't tell me that's
Just the way it is
Everybody knows
That it's just the way
The story goes

Shouldn't you know?
By now
You should've known
But you don't know how

Shouldn't you know?
By now
You can't forget
What it's all about

Tonight
When the day is
Over and you've
Been waiting for tomorrow
There's no hope

Tonight
They'll be coming back again
They'll be waiting for tomorrow
I'll be here

Another day in America
The land of prosperity
You gave for freedom
Well have you ever been free

Don't tell me that's
Just the way it is
Everybody knows
That it's just the way
The story goes

Shouldn't you know?
By now
You should've known
But you don't know how

Shouldn't you know?
By now
You can't forget
What it's all about

Tonight
When the day is
Over and you've
Been waiting for tomorrow
There's no hope

Tonight
They'll be coming back again
They'll be waiting for tomorrow
I'll be here

Here we are
Another day
I pray
I know it wasn't
Supposed to be this way
What happened to the world?
When I was six years old
Watch the whole earth
Fade away
Watch the whole earth
Fade away
Away
Yeah

Tonight
When the day is
Over and you've
Been waiting for tomorrow
There's no hope

Tonight
They'll be coming back again
They'll be waiting for tomorrow
I'll be here
