Searching for the answers
Can you tell me
Don't know what I'm doing
Can you help me out
Asking questions
Wondering do you even hear
Can you help me out

I'm back
Back in the place
Where I began
Talk to me
Tell me who I am
Can you help
Can you help
Where'd I go wrong
Gotta find
Gotta find
My way back home

Listening, waiting
For the answers from you
Don't know what I'm doing
Where I'm going to
I'll be waiting
Waiting here for you
Can you help me out
Can you help me out

back
Back in the place
Where I began
Talk to me
Tell me who I am
Can you help
Can you help
Where'd I go wrong
Gotta find
Gotta find
Where I belong

Bring me home
Let me know

Bring me home
Let me know

Can you tell
Can you tell
Me where to go

I need your help
Need your help
I do not know

Can you tell
Can you tell
Me where to go

I've got to find my way

need your help
Need your help
I do not know

back
Back in the place
Where I began
Talk to me
Tell me who I am
Can you help
Can you help
Where'd I go wrong
Gotta find
Gotta find
Where I belong

Bring me home
Let me know

Bring me home
Let me know

Bring me home
Let me know

Bring me home
Let me know
Let me know

back
Back in the place

Where I began
Talk to me
Tell me who I am
Can you help
Can you help
Where'd I go wrong
Gotta find
Gotta find
Where I belong

Bring me home
Let me know
Bring me home
Let me know
