See you on the street  
Looking over at me  
Catch my lover's eye  
Stumble over my feet  
Try to shake me down  
But it's easy to see  
How I feel everytime  
Think I'm losing my mind this time  
It happened to me  
I'm falling deeper into you  
But do you even know my name

We are ordinary people  
In this ordinary world  
I am one in every boy  
Extraordinary girl

Years go by and I  
Still remember the day  
When you came around  
And you took me away  
Just to let you know  
That I still feel this way  
Everyday everytime  
I'm still losing my mind this time  
It happened to me  
I'm falling deeper into you  
But do you even know my name

We are ordinary people  
In this ordinary world  
I am one in every boy  
Extraordinary girl

And I think it's okay  
We're not the same  
It's all good  
We're better off this way  
Yeah

Something tells me every single day

Don't let her slip away  
Don't drift away

That's right

Oh ordinary people in this ordinary world  
I am one in every boy  
Extraordinary girl

Extraordinary  
Extraordinary girl  
Extraordinary girl
