singing along with  
the song on the radio  
94.5 fm is that the  
song I wrote  
that stupid one  
that we put on our cd  
because it made me laugh  
and now we listen to it

in my car  
yeah in my car  
we're in my car  
oh we're in my car

all the in traffic  
is a pain in the neck  
you've got four old ladies  
and two and a half wrecks  
but at least we got  
this music playing  
all day long  
over and over  
as I'm singing along

in my car  
yeah in my car  
that's right i'm in my car  
uh huh yeah  
it's in my car

well we knew this  
song was cheesy  
but it makes you  
feel good  
We wrote it just this way  
cause we knew that it would  
So turn the volume up  
cause we know you love it  
and if you don't  
you probably think  
it's just a piece of trash

in my car  
yeah in my car  
oh yeah  
in my car  
uh huh yeah  
it's in my car  
oh yeah  
who  
yeah yeah yeah yeah  
it's in my car  
who  
it's in my car
