Wa-Whoa wa-whoa wa-whoa oh
Wa-Whoa wa-whoa oh yeah

Wa-Whoa wa-whoa wa-whoa oh
Wa-Whoa wa-whoa oh yeah

Thank you for all the things
That you have said and done
You don't know how much it means
There when I needed you the most
Right by my side
I know in you I can confide

And you have been more than a friend
Could ever ask for
I'll try and do the same for you

And you have been more than a friend
Could ever ask for
I'll try and do the same for you

Oh

I know you're going through a lot
This point in time
Down on my hands and knees for you
Pick up the phone some time
I'm on the other end
To bring you comfort and pull you through

And you have been more than a friend
Could ever ask for
I'll try and do the same for you

And you have been more than a friend
Could ever ask for
I'll try and do the same for you

I'll be there when a friend

Wa-Whoa wa-whoa wa-whoa oh

Wa-Whoa wa-whoa oh yeah

Wa-Whoa wa-whoa wa-whoa oh
Wa-Whoa wa-whoa oh yeah

And you have been more than a friend
Could ever ask for
I'll try and do the same for you

And you have been more than a friend
Could ever ask for
I'll try and do the same for you

I'll try and do the same for you

Wa-whoa oh
