When the morning comes
You are my shining sun
And every time I stumble
You pick me up again

When I'm asleep
I'm not alone
And when I fall
Down I know
You are the only
The one and only
It's only you
I'm living for

When the morning comes
You are my shining sun
And every time I stumble
You pick me up again

When I'm asleep
I'm not alone
And when I fall
Down I know
You are the only
The one and only
It's only you
I'm living for

When I'm asleep
I'm not alone
And when I fall
Down Lord, I know
You are the only
The one and only
It's only you
I'm living for

It's only you
I'm living for

It's only you

I'm living for
