Overtime can we see?
What we've become
Oh yeah

Overtime can we see?
What we've become
Draw the line from
The darkness to the sun
Yeah
And I will be yours

And you can be my radio
You're all I need
That song you're singing
Over me
And you can be my
Favorite too
Every day's a sunny day

Shining through
Everything is clearer now
Breathing you
Have I met my here and now
Now
And I will be yours

And you can be my radio
You're all I need
That song you're singing
Over me
And you can be my
Favorite too
Every day's a sunny day

Radio
You're all I need
That song I'm singing
Over me
And you can be my
Favorite too
Every yeah

Radio
You're all I need
That song you're singing
Over me
And you can be my
Favorite too
Every day
Every day's a sunny day
