A billion people died on the news tonight  
But not so many cried at the terrible sight  
Well momma said  
It's just make believe  
You can't believe everything you see  
So baby close your eyes to the lullabies  
On the news tonight

Who's the one to decide that it would be all right  
To put the music behind the news tonight  
Well momma said  
You can't believe everything ya hear  
The diagetic world is so unclear  
So baby close your ears  
On the news tonight  
On the news tonight  
The unobtrusive tones, on the news tonight

And momma said, mmmmmmm  
Why don't the news casters cry when they read about  
people who die?  
At least they could be decent enough to put just a tear  
in their eyes

Momma said  
It's just make believe  
You can't believe everything ya see  
So baby close your eyes to the lullabies  
On the news tonight
