You hardly even notice
when i try to show you this
song is meant to keep you
from doin what your supposed to
wakin up too early
maybe we could sleep in
I'll make you banana pancakes
pretend like it's the weekend now.

We could pretend it all the time
can't you see that it's just raining
there aint no need to go outside

Just maybe
Laka uku lady momma made a baby
I really don't mind the practice
cause your my little lady
lady lady love me cause i love to lay here lazy
we could close the curtain
pretend like there's no world outside

We could pretend it all the time
Well can't you see that it's just rain
rain all day and i don't mind

The telephone ringin
singin it's too early dont pick it up
We don't need to
we got everything we need right here
And everything we need is enough
Just so easy when the moon is out tonight
la la la...

You hardly even notice
when i try to show you this
song is meant to keep you
from doin what your supposed to
wakin up too early
maybe we could sleep in
I'll make you banana pancakes
pretend like it's the weekend now.

We could pretend it all the time
Well can't you see that it's just raining
there aint no need to go outside
yeah no need yeah no need
rain all day no i really really dont mind
cant you see cant you see..
mmm hmm..
