Do you remember when we first met  
I sure do  
It was some time  
In early September

Though you were lazy about it  
You made me wait around  
I was so crazy about you  
I didn't mind

So I was late for class  
I locked my bike to yours  
It wasn't hard to find  
You painted flowers on it

Guess that I was afraid  
That if you rode away  
You might not roll back  
My direction real soon

Well I was crazy about you then  
And now the craziest thing of all  
Over 10 years have gone by  
And your still mine  
Locked in time  
Let's rewind

Do you remember when we first moved in together  
The piano took up the living room

You'd play me boogie woogie  
I played you love songs  
You'd say we're playing house  
Now you still say we are

We built our get away  
Up in a tree we found  
We felt so far away  
Though we were still in town

Now I remember watching

That old tree burn down  
I took a picture that  
I don't like to look at

Well all these times  
They come and go  
And Lord, it don't seem so long  
Over 10 years have gone by  
We can't rewind  
We're locked in time  
But your still mine

Do you remember?
