Everybody loves you
Everybody's scared
Everybody hates you
Nobody cares

Everybody's crying
Everybody's free
Everybody's fortune
Just looks like luck to me

What are we so afraid of?
Everybody sleeps alone
In our darkest hour
We all find our own way home

Everybody loves you
Well, Jesus told you so
Everybody's lying
Hell, even Jesus knows

Everybody's happy
And has a right to be
Everybody's laughing
I think the joke's on me

What are we so afraid of?
Everybody sleeps alone
In our darkest hour
We all find our own way home

Everybody loves you
Everybody's scared
Everybody hates you
Nobody cares
