Goodnight moon, goodnight stars
Goodnight old broke down cars
I'm going away, I'm leaving soon
Goodnight darlin'
Goodnight moon
I don't know where I'll be
And I don't know if I'll see
Out the window of my room
Shining down
Goodnight moon
Thank you I'm gonna miss you
When the night comes round
That's when I long to kiss you

When the moon shining on the ground
Goodnight moon, goodnight stars
Goodnight old broke down cars
I'm going away, I'm leaving soon
Goodnight darlin'
Goodnight moon
