High seas or in low seas,
I'm gonna be your friend,
You know that I'm gonna be your friend,
Any so, in hightide or in low tide,
I'll be by your side,
You know that I'll be by your side.

(Instrumental Break)

I heard her praying praying praying mmm
Said I heard my mother well I heard her
She was praying praying praying in the night
And the words that she said, the words that she said
They still linger in my head, linger in my head
She said a child is born into this world he needs
Protection yea. God guide and protect us when we're
Wrong please correct us. and stand by me in these
High seas or in low seas I'm gonna be your friend
You know that I'm gonna be your friend. In hightide
Or in low tide I'll be by your side. You know that I'll
Be by your side.

(Instrumental Break)

I said i heard my mother, well i heard her crying she
was crying crying in the night and the tears that she
shed, the tears that she shed, they still linger in my
head, she said a child is born into this world he needs
protection, God guide and protect us when we're
wrong please correct us and stand by me in these high
seas or in low seas I'm gonna be your friend. you know
that I'm gonna be your friend. Any so in high tide or in
low tide I'll be by your side, you know that I'll be by your
side.
