I know why you asked me here
You're not sure the coast is clear
You're about to speak your mind
This small talk is a bad sign

How many days have I been here tonight
How many days have I been here tonight

You keep stalling probably
Stretch it to eternity
Can't feel guilty say your lines
Breakin' my hearts not a crime

How many days have I been here tonight
How many days have I been here tonight

I can't stand the suspense
How long can I go on like this
How many days have I been here tonight

How many days have I been here tonight
How many days have I been here tonight

I can't stand the suspense
How long can I go on like this
How many days have I been here tonight

How many days have I been here tonight
How many days have I been here tonight

How many days have I been here tonight
Since I've been here tonight
