If I close my eyes a while  
Maybe I'd see through  
Yeah I'd see through the miles  
That won't keep me from you  
And an arms length away  
Is to far of a place  
Yeah maybe what you need  
Is to be my saving grace  
Chorus  
And I would if I could  
And I want you to know  
If you ask I would give  
You better believe I would  
Yeah well they say nothing lasts  
But I don't believe that's true  
And I would do my best  
Just make this good for you  
Chorus  
And I would if I could  
And I want you to know  
If you ask I would give  
You better believe I would  
I bet you'd be amazed  
If I shut my mouth  
And just listened to you say  
That you're letting me stick around  
Chorus  
And I would if I could  
And I want you to know  
If you ask I would give  
You better believe I would  
Yeah I would if I could  
And I want you to know  
If you ask I would give  
You better beleive I would  
Yeah you better believe I would  
Yeah you better believe I would
