Just a little bit closer,
A little closer still.
If you let it take you,
Baby it will.

Baby, I can feel it,
You can feel it too.
Lettin' go is all we have to do,
It's just me and you.

Tonight I'm gonna be your lover,
Tonight I'm gonna be your friend.
Baby, don't worry 'bout forever
'Cause this ain't gonna end.
I wanna take your body, baby.
I wanna take your soul so high.
I wanna steal your heart, give you mine.
I wanna be the man in your life.

It only takes one moment, only takes one kiss.
You're the only one who makes me feel like this.
Baby, it's magic. We can disappear,
Make the world stop turning.
Baby come here, won't you just come here.

Tonight I'm gonna be your lover,
Tonight I'm gonna be your friend.
Baby, don't worry 'bout forever
'Cause this ain't gonna end.
I wanna take your body, baby.
I wanna take your soul so high.
Steal your heart, give you mine.
I wanna be the man in your life.

Tonight I'm gonna be your lover,
Tonight I'm gonna be your friend.
Baby, don't worry 'bout forever
'Cause this ain't gonna end.
I wanna take your body, baby.
I wanna take your soul so high.
Steal your heart, give you mine.
I wanna be the man in your life.

?Man in your life.
