In times like these and in times like those
What will be will be and so it goes
And it always goes on and on and on and on and on
On and on and on and on and on it goes, hmm
There will always be laughin cryin birth and dyin
Boys and girls with hearts that take and give and break
Heal and grow and recreate and raise and nurture
Then hurt, form time to times like these and times like
those
What will be will be and so it goes
There will always be stop and go and fast and slow
And action reaction and sticks and stones and broken
bones
Those for peace and those for war
And God bless these ones not those ones but these
ones
May times like these and times like those
What will be will be and so it goes
And it always goes on and on and on and on and on
On and on and on and on and on it goes, hmm
Somehow I know, it wont be the same
Somehow I know, itll never be the same
