I used to be so down and out
I used to be so blue
Now the only thing I talk about
The only thing I do
Is spin around like a school kid
Just off the merry-go-round
I'm dizzy but it's cause I'm headed
To the one good thing I've found

Chorus

One thing as good as gold
I'm nothing without you to hold
One thing I know in this world
Is I need you to be my girl

I got so good at hiding
I couldn't find myself
But baby you got me smiling
And feeling like someone else
Yeah you changed my makeup
I ain't the same sad clown
Ever since you showed up
Hey this ain't the same sad town

Chorus

One thing as good as gold
I'm nothing without you to hold
One thing I know in this world
Is I need you to be my girl

One thing as good as gold
I'm nothing without you to hold
One thing I know in this world
Is I need you to be my girl

One thing as good as gold
I'm nothing without you to hold
One thing I know in this world
Is I need you to be my girl

Be my girl
You're the one thing
