

## Jack Johnson "A Beautiful Dream"

Visit "[A Beautiful Dream](#)" on MotoLyrics.com

I had a dream  
The other day.  
A beautiful woman  
was looking my way.  
She said ... "I love you."  
I said ... "How can that be?"  
She said ... "I'm your dream girl,  
So just come with me."

Chorus:

I love my dream woman.  
Her eyes are so green.  
She's the most beautiful woman  
that I've ever seen.  
She's funny, she's sexy  
And I put my arms around her,  
I could hold her all day.

We partied hard in Rio.  
We soaked up the sun in Spain.  
We walked the streets of Paris.  
We danced in the rain.  
She can't get enough of me,  
I mean what can I say?  
It's my dream ...  
And I like it that way!
