Do you remember when we first met
I sure do
It was some time
In early September
You were lazy about it
You made me wait around
I was so crazy about you
I didn't mind
So I was late for class
I locked my bike to yours
It wasn't hard to find
You painted flowers on
Guess that I was afraid
That if you rode away
You might not roll back
My direction real soon
Well I was crazy about you then
And now the craziest thing of all
Over 10 years have gone by
And your still mine
We're locked in time
Lets rewind

Do you remember
When we first moved in together

The piano took up the living room
You'd play me boogie woogie
I played you love songs
You'd say we're playing house
Now you still say we are
We build our get away
Up in a tree we found
We felt so far away
Though we were still in town
I remember watching
That old tree burn down
I took a picture that
I don't like to look at

Well all these times
They come and go

Alone don't seem so long
Over 10 years have gone by
We cant rewind
We're locked in time
But your still mine

Do you remember?
