You win  
Its your show, now  
So whats it gunna be  
Cause people  
Will tune in  
How many train wrecks do we need to see?  
Before we lose touch of  
We thought this was low  
It's bad gettin worse so

*[Chorus:]*

Whered all the good people go  
Ive been changin channels  
I dont see them on the tv shows  
Whered all the good people go  
We got heaps and heaps of what we sow

They got this and that and  
With a rattle a tat  
Testing one two,  
Now whatcha gunna do?  
Bad news, misused,  
Got too much to lose  
Gimme some truth  
Now whos side are we on?  
Whatever you say  
Turn on the boob tube  
Im in the mood to obey  
So lead me astray by the way, now

Where'd all the good people go?  
I've been changin channels  
I dont see them on the tv shows  
Whered all the good people go  
We got heaps and heaps of what we sow  
Sitting round feeling far away  
So far away but I can feel the debris  
Can you feel it?  
You interrupt me from a friendly conversation  
To tell me how great its all gunna be  
You might notice some hesitation  
Cause whats important to you is not important to me

Way down by the edge of your reasons  
Its beginning to show  
And all I wanna know is..

Whered all the good people go  
Ive been changin channels  
I dont see them on the tv shows  
Whered all the good people go  
We got heaps and heaps of what we sow

They got this and that  
With a rattle a tat  
Testing one, two  
Now what you gonna do?  
Bad news, misused, gimme some truth  
You got too much to lose  
Whose side are we on?  
Whatever you say  
Wrong and resolute but in the mood to obey  
Station to station desensitizing the nation
