Back when all my little goals seemed so important
Every pot of gold fill and full of distortion
Heaven was a place still in space not in motion
But soon

I got you
I got everything
Iâ€™ve got you
I donâ€™t need nothing
More than you
I got everything
Iâ€™ve got you

We went walking through the hills
Tryinâ€™ to pretend that we both know
Maybe if we save up
We can build a little home
But then the hell storm came and yelled,
â€œYou need to let go, youâ€™ve got no control. No.â€

I got you
I got everything
Iâ€™ve got you
I donâ€™t need nothing
More than you
I got everything
Iâ€™ve got you

This weightâ€™s too much alone
Some days I can't hold it at all
You take it on for me
When tomorrowâ€™s too much
Iâ€™ll carry it all
Iâ€™ve got you

And when tomorrowâ€™s too much
Iâ€™ll carry it all
I got you

I got you
I got everything

Iâve got you
I donât need nothing
More than you
I got everything
Iâve got you
