Listen to the sex and music in the stereo.
Cruisin' in my Cadillac, Ya know I'm gonna losing in
Jack Kerouac.
Now I'm Cruisin' in my Cadillac, I'm gonna lose me, Jack
Kerouac
I said I'm Cruisin' in my Cadillac,, I'm gonna lose it, Jack
Kerouac
Now I'm Cruisin' in my Cadillac,, I'm gonna losing, Jack
Kerouac.

Lately, I've been dreaming,
trying a fun man in this healing.
All the trouble I've been leaving,
don't you wanna know?
Time hang as me, as a minute,
I'm alone, for this feeling.
I'll find all that cellding,
where I'm on the road.

Cruisin' in my Cadillac,I'm gonna losing in, Jack
Kerouac,
So I'm Cruisin' in my Cadillac,, I'm gonna losing in Jack
Kerouac.

Now, love I've been living,
My heart keeps on breathin'.
For the world I've been needing,
I wish you should go.
I dream tought the season,
Gettin' lost for no reason.
Find the place I've been leading,
where I'm all the road.

I'm trying to love you, baby,
love just so make me a little crazy.
I don't want you to hate me, leaving on the road.
