Someday at Christmas, men won't be boys
Playing with bombs like boys play with toys
One warm December, our hearts will see
A world where men are free

And some day at Christmas, there'll be no wars
When we have learned what Christmas is for
When we have found out what life is really worth
Then there will be peace on earth

Someday all of our dreams will come to be
Someday in a world where men are free
Maybe not in time for you or for me
But someday at Christmas time

And someday at Christmas, there'll be no tears
All men are equal and no men have fears
One shining moment my heart ran away
From the world that we live in today

And someday at Christmas, men will not fail
Take all because your love will prevail
Someday in a new world that we can only start
With hope in every heart

And someday all of our dreams will come to be
Someday in a world where men are free
Maybe not in time for you or for me
But someday at Christmas time
Well, there will be peace on earth
I said there will be peace on earth
