Some will say  
This place is wrong  
These hands are fast  
This face is long

Stop upsetting yourself  
Upsetting your thoughts  
Upsetting this world  
That you're standing on

These plans are torn  
These feet are cold  
This shield is worn  
This peace was stolen

Stop upsetting yourself  
Upsetting your thoughts  
Upsetting this world  
That you're standing on

These problems they breathe  
And their fire is real  
And the coins that they keep  
You cannot steal

Even when you're asleep  
They'll be here still  
Just breathing out or in

Some will say this place is gone  
These roads are steep  
And much too long

These plans are cheap  
My feet are cold  
Just cut the knot  
These coins are golden

Some will say this place is gone  
These roads are steep  
And much too long

These plans are cheap  
My feet are cold  
Just cut the knot  
These coins are golden

Stop upsetting yourself  
Upsetting your thoughts  
Upsetting this world  
That you're standing on

These problems they breathe  
And their fire is real  
And the coins that they keep  
You cannot steal

Even when you're asleep  
They'll be here still  
Just breathing out or in
