Tied down against the tracks  
Screamin' in a silent black  
And why'd you trust us?  
We are such villains

We would tell ourselves  
Anything we want to hear  
If we are willing

To listen is to learn  
And too much is what we deserve  
And how come when we say that we do, we don't?  
Pray to anybody you want, we won't  
Oh oh oh oh, oh oh oh

If we're the ones to blame then the fruit  
Shouldn't taste so good, we will use  
To think that we got nothin' to lose  
Losin' everything but the truth

Walkin' straight into a roadblock  
Bendin', left here endin'  
Your point of view was chosen  
By the serpent's rules

With all this do's and dont's  
The futures an empty promise  
Unconcerned and so tired

We could sell it wooden horses  
Full of madness and when they open  
This all might be imposed  
Theres no goin' back to the good old days  
It's just a phase, bring me some new life  
Archaism is a dusty road  
Leadin' us back to nowhere

If we're the ones to blame then the fruit  
Shouldn't taste so good, we were used  
To think that we got nothin' to lose  
Losin' everything but the truth

Walkin' straight into a roadblock  
Endin', left here bendin'  
Your point of view was chosen  
By the serpent's rules  
Oh oh oh oh

How come when we say we do we don't?  
How come when when we say we will we won't?  
How come when we say we do we don't?  
How come when when we say we will we won't?
