A hypocrite is one who deals in deceit, lies, and false pretenses

Insincerity is the name of the game

Doing one thing and telling others not to do it is reality for a hypocrite

Well they tell you, they say Jesus saves

Or they tell you, they say "Praise the Lord"

Well they tell you black bible on their back

They're going straight to hell, sinner!

Hypocrite, hypocrite!

Well she loves you, and she says that she loves you

You're faithful, she says "Yeah I'm faithful too"

And well she loves you, the way she says that she loves you

While she's fucking behind your back

Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite

Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite

(You're a cunt, you're a backstabbing cunt, that's right, you're a cunt, C-U-N-T cunt!)

Well your best friend, yeah we all have a best friend

Your best friend says he's no good for you

Well your best friend, but before you can thank her,

His dick is in her mouth!

Hypocrite, hypocrite!

Well she loves you, and she says that she loves you

You're faithful, she says "Yeah I'm faithful too"

And well she loves you, the way she says that she loves  
you

While she's fucking behind your back

Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite

Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite

(You're a cunt, you're a cunt, you're a two-timing cunt  
C-U-N-T spells cunt! That's right, cunt)

Well they tell you, they say "Don't do drugs"

Or they tell you, they say "No they're not for me"

But they tell you and you roll up their sleeves and their  
tracks would ride a train

Hypocrite, hypocrite!

Well she loves you, and she says that she loves you

You're faithful, she says "Yeah I'm faithful too"

And well she loves you, the way she says that she loves  
you

While she's fucking behind your back (bitch!)

Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite

Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite

Cause hypocrite to me spells C-U-N-T. (Cunt)
