I know all your secrets  
and I have no one left to tell  
when I split into fractions  
cause I I know your story well  
but I have no one left to tell  
Burn your truth  
Make you believe in god  
Make you believe in ghosts  
Make you believe in me  
I tell all your secrets  
If I had someone left to tell  
Can my, my fearful deceptions  
Because I know your lies so well  
but I have no one left to tell

Burn your truth  
make you believe in god  
make you believe in ghosts  
make you believe in me  
Burn your truth  
Make you believe in god  
make you believe in ghosts  
make you believe in me  
Make you Believe  
Burn your truth  
make you believe in god

make you believe in ghosts  
make you believe in me  
burn your truth  
make you believe in god  
make you believe in ghosts  
make you believe in me  
burn your truth  
make you believe in god  
make you believe in ghosts  
make you believe in me  
Burn your truth  
make you believe in god  
Burn your truth  
Make you believe in god  
burn your truth

make you believe in god  
burn your truth  
make you believe in god
