

Jack Off Jill "Underjoyed"

The doctor released me
a case of underjoyed
No lack of nutrition
something I can't avoid

No mental condition
maybe I'm paranoid
or maybe

maybe
I'm just bored
I'm just damn bored
I'm just damn bored
I'm just damn bored

An old friend convinced me
that he was underjoyed
He never caused friction
his ego he destroyed

He made a decision
He jumped into the void
or maybe

maybe
he's just bored
he's just damn bored
he's just damn bored

he's just damn bored

Drown your fears in alcohol
everybody spills and falls
Choke on every dream you ever had

Drown yourself in alcohol
everybody slips and falls
Choke on every dream you ever had

Keep yourself in 6 degrees
no one ever comforts me
why should they bother

When I'm alone and I'm so damn bored

I am so bored

I am so bored

I am so

NO NO NO NOW

BORED

I am so bored

I am so bored

I'm so damned

that keeps me underjoyed
